CADDINGTON BLUE

Floor Plan:

CADDINGTON BLUE

Property Description

A very spacious duplex live work unit extending to 1200 square feet in this sought after area of Elephant & Castle that is currently under substantial regeneration. With a number of quirky cafes and shops this will be an area that will appeal to creative people who need flexible space.

Positioned in the heart of one of the most enterprising and well-connected places to live in London, the building overlooks Nursery Park and is at the heart of a truly remarkable transformation of the area.

Ideally situated to benefit from a wide range of public transport links, it is in Zone 1 and is within easy walking distance of both Elephant & Castle and Kennington Underground stations.

In addition, Elephant & Castle mainline station connects directly to Blackfriars and Kings Cross. It is anticipated that a trans-Thames tram route connecting Elephant & Castle and the city will be constructed over the coming years, giving local residents further choice in their mode of commuting to the main business, shopping and cultural areas north of the Thames.
